PROFESSIONAL EXPERIENCE

Senior Graphic Designer | HTG – Hometown Group — Cairo, Egypt | Jan 2026 – Present

- Create social media designs and visual content for real estate marketing campaigns.
- Design social media creatives for the Assiut campaign as part of a team; campaign visuals were also used in outdoor advertising.
- Create AI-assisted motion content by animating architectural renders for marketing campaigns.
- Adapt visual content for digital and outdoor communication.

Graphic Designer | Sckylers Development — Cairo, Egypt | Jun 2025 – Jan 2026

- Created social media designs and visual content for real estate projects and campaigns.
- Developed AI-assisted motion visuals by animating architectural renders.
- Adapted static project visuals for social media and maintained consistency across campaign assets.

Graphic Designer | UE Developments — Cairo, Egypt | Mar 2025 – Jun 2025

- Developed branding and visual identity materials for real estate projects.
- Created social media designs and marketing assets, including lifestyle-oriented video content.
- Translated project concepts and marketing objectives into visual content.

Graphic Designer | Koma Agency — Cairo, Egypt | Aug 2024 – Mar 2025

- Created social media designs and visual concepts for different brands and campaigns.
- Adapted designs across social media platforms and formats.

Graphic Design Training / Practical Experience | KRIJO Agency — Cairo, Egypt | Sep 2023 – Feb 2024

- Gained practical graphic design experience during military-service leave periods.
- Developed technical and creative skills in an agency environment.

Military Service | Egyptian Armed Forces — Egypt | 2023 – 2024

- Completed mandatory military service.

FREELANCE EXPERIENCE

Freelance Graphic Designer | Self-employed — Egypt ▪ Saudi Arabia ▪ UAE ▪ USA | Jun 2025 – Present

- Provide branding, social media design, marketing campaigns, video content, and AI-assisted visuals for clients across multiple industries and markets.
- Nuzul Tower, Qurtuba Developments: designed social media materials for a mixed-use tower, covering service offices, hotel apartments, retail shops, and a sky-roof restaurant within one visual system.
